

02. BARCELONA IN 4 HOURS (4H)

4 hours allow us to see **the most relevant places in Barcelona**. The tour will vary depending on if we do it **on foot & taxi or by a chauffeured vehicle** (Mercedes):

On foot & taxi we will visit: the **Gothic Quarter** in the **Old Town** to see the **Cathedral** (exterior only), the **Augustus roman temple** and the **King Palace**; pass by the **Arch of Triumph**, the gate of the Universal Exposition 1888; stop at **Passeig de Gràcia**, the most elegant avenue in Barcelona, where there is the biggest concentration of modernist buildings in Barcelona, to see from the exterior **Casa Batlló**. Our next stop will be the **Sagrada Família** to visit the interior of it.

If we do the tour **by a chauffeured vehicle** we get the most out of our time seeing the above mentioned places plus: the **Montjuïc Hill**, where the 1929 Exposition took place and where we will enjoy excellent views of the city. In **Passeig de Gràcia** we will also visit the exterior of **La Pedrera**.

Another option to reach these other places on foot, is to extend the tour one hour (cost of the extra hour: **55€**).
